

Vegetarian Guide

Kitchen Hours: Tuesday - Saturday 8:30am-8pm | Sunday 8:30am-6pm

Please be advised that this guide is for informational purposes only and does not constitute a guarantee. Our kitchen is not a dedicated allergen-free environment. All of our menu items are prepared in a shared kitchen space that processes common allergens, including wheat, dairy, eggs, soy, peanuts, tree nuts, fish, and shellfish. While we take steps to minimize cross-contact, we cannot guarantee that any dish is completely free of allergens. Guests with severe sensitivities or allergies should exercise judgment when ordering.

We define vegetarian as a diet where one refrains from eating meat, poultry, and seafood, while still eating animal byproducts like eggs and dairy.
